

# 5G Coverage Is Here

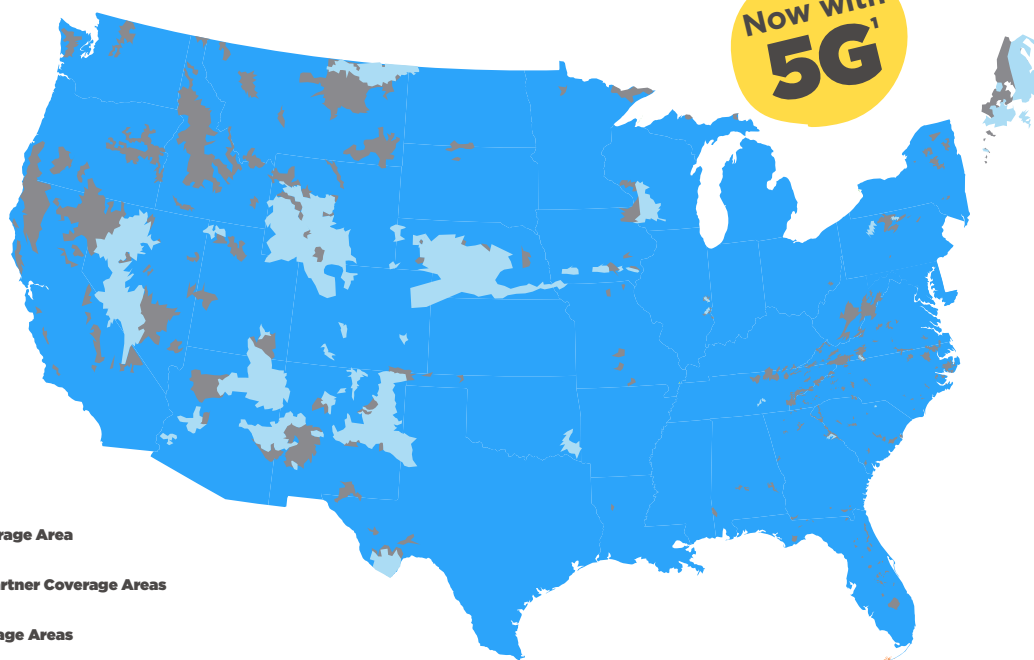

## Available July 1

Starting July 1, 2021, 5G access is included on every monthly plan!

## Covering 99% of Americans

Now with  
**5G<sup>1</sup>**

-  Voice Coverage Area
-  3<sup>rd</sup> Party Partner Coverage Areas
-  Non-Coverage Areas

### Which plans come with 5G access?

5G access is included with every monthly plan. Pay As You Go plans do not offer 5G access.

### How can I access 5G coverage with my service?

Make sure you have a 5G compatible phone and you are in a 5G coverage area.

### Do I need a different SIM card for 5G access?

No, 5G works with standard H2O SIM cards.

1. 5G capable device required. 5G not available in all areas. Actual 5G availability, coverage, and speed may vary.

Shown map displays approximate outdoor coverage only; actual coverage may vary. Coverage not guaranteed and subject to change without notice. Coverage & service not available in all areas.
